

Job Title: Full Stack Developer (Web and Mobile Applications)

Job Description: We are seeking an experienced Full Stack Developer to join our team in designing, developing, and maintaining web and mobile applications. The ideal candidate should have a strong understanding of front-end and back-end technologies, with expertise in React.js, React Native, Node.js, and various databases.

Responsibilities:

- Develop responsive and user-friendly web applications using React.js
- Build cross-platform mobile applications using React Native
- Implement RESTful APIs and back-end services using Node.js
- Integrate applications with databases (MySQL, MongoDB, Firebase) for data storage and retrieval
- Collaborate with cross-functional teams throughout the development lifecycle
- Optimize applications for performance and scalability
- Stay up-to-date with the latest web and mobile development trends and best practices

Required Skills:

- Proficient in programming languages: JavaScript, Python, HTML, CSS
- Expertise in front-end frameworks and libraries: React.js, React Native, Tailwind CSS
- Knowledge of back-end frameworks and libraries: Node.js
- Familiarity with databases: MySQL, MongoDB, Firebase
- Understanding of data structures and algorithms: Arrays, Linked Lists, Stacks, Queues, Binary Trees

- **Experience with version control tools: Git, GitHub**
- **Strong problem-solving and analytical skills**
- **Excellent communication and collaboration abilities**

Preferred Skills:

- **Experience with cloud platforms (e.g., AWS, Azure, Google Cloud)**
- **Familiarity with DevOps practices and tools (e.g., Docker, Kubernetes)**
- **Knowledge of testing frameworks (e.g., Jest, Enzyme, Mocha)**
- **Experience with server-side rendering (e.g., Next.js)**
- **Understanding of performance optimization techniques**

Qualifications:

- **Bachelor's degree in Computer Science, Information Technology, or a related field**
- **Proven experience in full-stack web and mobile application development**
- **Strong portfolio of successful projects**

We offer a competitive compensation package, opportunities for professional growth, and a dynamic work environment. If you are passionate about creating innovative and user-centric digital solutions, we encourage you to apply.
